

2025-26 Vishvavasu Year Chandrashtamam Starting and Ending Date & Times-Drikkanitham.

விஷ்வாவசு வருட சந்திராஷ்டமம் ஆரம்பம் மற்றும் முடிவும் தேதிகளும் மணியும் - திருக்கணிதம்.

Chandrashtamam: Chandrashtamam is the unfavourable transit of Moon that happens when Moon travels in the 8th house from your rasi. Auspicious ceremonies like marriage, house warming or starting some new work, business, traveling is not advisable. financing, give and borrow money, applying loan, buying jewels, vehicles, meeting with higher officials, important meetings, deciding for a good incident should be avoided. To know about the chandraastamam of the whole year we have provided a table containing the starting and ending dates and time for all the rasias according to the English dates (Singapore, Malaysia time). Please share it to all of your friends and relatives via social media groups.
